

District Parent Council
October 10, 2018
9:30-10:30 am

MINUTES

Welcome

- Per the question from last month's DPC, it was stated that if the Marching Band would like to participate in using Final Forms for sign-ups, they could do so, per the discretion of the Marching Band director.

Ohio Department of Education (ODE) State Report Card

- Andrea Cook and Chuck Wiggins gave a presentation on ODE's most recent report card data, which showed Springboro Schools as having earned an "A" grade. Springboro Schools was one of only twenty eight schools districts (out of 608) in the State of Ohio to achieve this grade, putting Springboro Schools in the top 1%. Andrea and Chuck discussed key areas in the report card data, most notably those areas where the district met indicators, and those areas they are looking to improve on. This presentation will be presented at the Oct. 11th Board of Education meeting, which can be viewed online here - <http://www.springboro.org/BoardofEducation.aspx> (Beginning Oct. 12th).

Questions

- It was mentioned that Springboro Schools will have a monthly featured story and advertisement in the Springboro Neighbors Magazine. Also, Nov. 5th at 6:00pm will be the Grand Opening for the Clearcreek Elementary Sensory Garden, which is open to the public.

Next Meeting – November 7th at 9:30 am
