

# Five Points Elementary

## 4th Grade E-Learning Activities

Updated: March 26, 2020

Students use Clever to access our online programs (for example Reflex, Freckle, Google etc).

\*To access Clever, visit <https://clever.com/in/springboro>. Students will be prompted to enter in their Google Login.

**Login:** [lastname.firstname@springboro.org](mailto:lastname.firstname@springboro.org)

**Passwords:** lunchcodego (your child's lunch ID number with the word go after it)

The 4th grade team has decided each classroom teacher will post assignments for their individual classes in Google Classroom. However, all teachers will be available to answer questions by email if there needs to be clarification on an assignment or parents and students have questions.

Instruction for 4th grade students will be as follows:

- **Monday and Thursdays** - students will only have **MATH** instruction/assignments
- **Tuesday and Fridays** - students will only have **ELA** instruction/assignments
- **Wednesdays** - students will only have **SPECIAL area** instruction. On Wednesdays, students should choose 2-4 activities to complete for special area classes. Ideally, they will select one activity per special class (art, music, PE, technology). Students will have 2 art classes this quarter and will only be required to complete 1 assignment for art.

Specials- Art, PE, Music, Stem/computer lab	Assignments are posted on the specials' website according to grade level. Click here to go to their site <a href="#">Specials' Website</a>
Mr. Buening (Reading and Math)	Assignments will be posted in <b>Google Classroom</b> . <a href="#">Link</a>
