

SPRINGBORO COMMUNITY CITY SCHOOLS
STUDENT HEALTH INFORMATION

Revised 2-1-2016

There are two vaccines required by the Ohio Department of Health for **all incoming 7th Grade Students**.

- A diphtheria, pertussis, and tetanus (Tdap) booster. This immunization needs to have been given no sooner than the child's 10th birthday.
- First Dose of the Meningococcal (MCV4) vaccine is a **NEW** required vaccine for students attending Ohio schools entering 7th Grade in the fall of 2016.

If you choose not to immunize your child, then an Exemption Letter must be completed. This can be found on the district website.

PLEASE PROVIDE AN UPDATED VACCINE RECORD TO THE SCHOOL as Verification of that your child has had the Tdap Booster and the 1st Meningococcal (MCV4) Vaccine.

Low cost immunizations are available through the Warren County Health Department (Phone: 513-695-2097).
