On this site, you will be able to place an order from several vendors. Orders will be printed out and payment due on the 1st of each month. **What could be easier!**

You will also have the option on the site to make an order a "standing order" (every month receive the same cards) just log in and click on the item that you want to make standing. Above the quantity box when you order a card is a small box, click it and you can adjust your standing order! You can also choose to have cards purchased every other month or every few months. Cards are mailed to you around the 15th of every month. **It's that simple!**

If you want a portion of your percentage that you earn through Scrip to go to the Band Boosters then you need to be sure to email us after you sign up to let us know you are a band supporter so we can properly credit the band with your purchases.

Do it once and you are done! Your email address becomes your login. Each month we will email you a reminder that you need to place your order. We accept Visa, MasterCard and Discover and personal check. Be sure to place your order today!

If you don't see a vendor listed you are interested in, just ask. We have over 500 available to choose from. We only list the most popular ones. Have any problems or questions, please call us or drop us an email, we will be happy to help you out!
