## **State Ratings and Rankings**

**By David D. Baker**  
*Superintendent*

SPRINGBORO, Ohio – Recently you heard that once again, Springboro Community City Schools received a rating from the State. This rating combines test scores, student attendance, drop rates, graduation rates, and of course the achievement tests. The rating received, Excellent with Distinction, is the highest possible rating. In addition to this rating, a performance index is computed based on not just passing the tests, but the number of students scoring in the top two categories of “Advanced” and “Accelerated”. Our performance index was 105 out of a possible 120. The highest index score of any district in the State received this year was 110. When you consider the highest rating, Excellent with Distinction, we rank 42 in the state. There are 614 districts in the state. It is also possible to compare ratings of just our high school. When considering the high school’s score of 110.7, they rank 22<sup>nd</sup> of the over 700 high school’s in Ohio. Last year our high school ranked 41<sup>st</sup> of the more than 700 high schools.

We are very proud of the work that our staff has done from grades K-12. The quality of education in Springboro Community City Schools continues to be exemplary. The staff should be complimented for their dedication and professionalism.
