PRINCIPAL'S MESSAGE

As the principal of Springboro High School, I would like to welcome you to the 2019-2020 school year. It is an honor and privilege to lead Springboro High School, a school where students, staff, and parents collaborate to place a strong emphasis on education. We strive to provide the necessary experiences, knowledge, skills, and values that allow our students to be successful here as students as well as long after their high school graduation.

First and foremost, the academic environment at SHS is safe and conducive for learning. Students are encouraged to reach their fullest potential in a course of studies that is both rigorous and relevant. Our staff and teachers enthusiastically guide students through challenging, demanding, and rewarding coursework, which prepares them for the next level. Throughout our high school, students are accountable to the high expectations that all stakeholders have for academic performance and behavior.

Students, faculty, staff, and parents all play a major role in our students' achievements. I look forward to building upon these partnerships and working with the faculty, staff, families and our community to continue the traditions of academic excellence here at Springboro High School.

Go Panthers!

Mr. Kyle Martin

Principal

SPRINGBORO HIGH SCHOOL ALMA MATER

Here's a toast to Springboro High
To our school so dear
May we laud and cherish her
Thro' the coming years.

Springboro High, Springboro High
We honor you today
We'll remember you with pride
As we go our way

SPRINGBORO STUDENTS HAVE CLASS!

Class never runs scared. It is surefooted and confident. It can handle whatever comes along.

Class has a sense of humor. It knows that a good laugh is the best lubricant for oiling the machinery of human relations.

Class never makes excuses. It takes its lumps and learns from past sacrifices.

Class bespeaks an aristocracy that has nothing to do with money. Some extremely wealthy people have no class at all while others who are struggling to make ends meet are loaded with it.

Class is real. You can't fake it.

The person with class makes everyone feel comfortable because he is comfortable with himself.

If you have class you've got it made. If you don't have class, no matter what else you have, it doesn't make any difference.

SPORTSMANSHIP

The Sportsmanship Committee has been working hard to assure that we demonstrate good sportsmanship in all of our endeavors. Good sportsmanship means that we act appropriately whether we are a spectator or a competitor. As a spectator, we support our team by cheering for our team, not against the other team, vulgar cheers, gestures, and noisemakers are NOT appropriate.

- We encourage well-rounded students who achieve and lead in a range of disciplines, including academics, arts, music, sports and extracurriculars.
- Students are encouraged to develop and apply their unique interests and strengths.
- Students are encouraged to discover their individual interests and passion for learning.

DISCIPLINARY PROCEDURES

In accordance with the law, the Board of Education may seek to permanently exclude a student, sixteen (16) years of age or older, who has been convicted of or adjudicated delinquent for the reason of the following offenses:

- A. carrying a concealed weapon or conveying or possessing a deadly weapon or dangerous ordnance on property owned or controlled by a board of education or at an activity held under the auspices of this Board;

The recommendation is to be accompanied by the evidence, other information required by statute, and the name and position of the person who should present the District's case to the State Superintendent. The Board, after considering all the evidence, including the hearing of witnesses, shall take action within fourteen (14) days after receipt of the Superintendent's recommendation.

DEFINITION OF TERMS AND DISCIPLINARY ACTION

Because of the necessity of maintaining a reasonable behavioral norm at curricular and extracurricular school activities, procedures for dealing with behavior, which deviates from the norm, have been developed. These methods are as follows:

1. **Detention** – Retaining a student in a specified area, outside of the school day, for a period not to exceed two hours. Either a teacher or Administrator or both may assign a detention. Types of detentions that can be assigned are After School Detentions, Teacher Detentions, and Administrative Detentions.
2. **Emergency Removal** – Taking a student away from a classroom or other school event, function or activity for a class period up to one day. A teacher or principal or both can exercise an emergency removal.
3. **Alternative Educational Placement (In School Discipline)** – An alternative to suspension. Students are placed in a supervised classroom in which they are expected to work quietly on school assignments. Students are responsible for all work that is assigned and completed in their classes.
4. **Loss of Privilege** – Denying a student the privilege of participating in non-academic activities
5. **Suspension** – Denying a student the privilege of attending school (academic suspension) or any other school function, event or activity including school transportation for a period of not more than 10 consecutive school days. During a suspension a student may not be on any school property without permission from either the Principal or Superintendent. A suspension may be ordered by the Principal, Assistant Principal, or the Superintendent. Days missed for suspensions are unexcused absences. The suspension may be appealed, within 10 days after receipt of the suspension notice. The request for an appeal must be in writing.
6. **Expulsion** – Denying a student the privilege of attending school or any school activities, school transportation, or event for a period of more than 10 days up to one calendar year. ACADEMIC ELIGIBILITY (ATHLETIC, BAND, FLAG AND GUARD MEMBERS)

Participation in interscholastic athletic activities shall be limited to students who meet all of the following criteria:

The student must currently be enrolled in grades 9-12 and must have been enrolled in school the immediately preceding grading period; received passing grades in 5 credit earning courses, or the equivalent, per year toward graduation; and must have at least an overall 67 % average or the equivalent for the preceding grading period, however, only one class can be below a 60 percent.

During the athletic season, students must maintain weekly eligibility. Any combination of “U” or percentage grades equivalent to less 67 percent in two (2) different subjects will result in loss of eligibility for one (1) week.

Do not change your course schedule or drop a course without first consulting your school principal or athletic director to determine whether it will affect your eligibility. Eligibility for each grading period is determined by grades received the preceding grading period. Semester and yearly grades have no effect on eligibility.

For eligibility purposes, summer school grades may not be used to substitute for failing grades received in the final grading period of the regular school year or for lack of enough courses taken the preceding grading period.

For band, flag, drum line and winter guard members, ineligibility pertains to competition as well as game performance.

The participant must be enrolled in at least 5 credit earning courses.

The participant must be covered by sufficient insurance with a family accident policy or with a school accident policy. A physical examination is required.

AREAS “OFF LIMITS” TO STUDENTS DURING THE SCHOOL DAY

Students are not permitted to exit the school building during the academic day without permission from Administration. Students must sign in and sign out with the Attendance Secretary each time they enter or exit the building.

Students are not permitted to be outside of their scheduled academic areas without a pass from a staff member.

CAFETERIA

Students are assigned a 30-minute **closed** lunch period in the cafeteria. Students are required to eat at school and are not permitted to have carryout orders delivered to school. Outside guests are not permitted.

Cafeteria Expectations:

- A. Deposit all lunch litter in wastebaskets. When you get up to leave the table, make sure there is NO trash/other items left on or under the table.
- B. Return all trays and utensils to the dishwashing area.
- C. Seat no more than eight people to a table.
- D. Students may not cut the lunch line or purchase items for other students.
- E. Remain in the commons until dismissal bell to class.

Students who choose not to cooperate with the rules and/or lunch supervisor shall receive disciplinary actions.

CELLPHONES AND ELECTRONIC DEVICES

Students may possess wireless communication devices (WCDs) on school property and at school-related functions. A “wireless communication device” is a device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor. The following devices are examples of WCDs: cellular and wireless telephones, Smartphones, WiFi-enabled or broadband access devices, two-way radios or video broadcasting devices, and other devices that allow a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information. Students may not use WCDs on school property or at a school-sponsored activity to access and/or view Internet web sites that are otherwise blocked to students at school.

During the academic day, from 7:30 am to 2:25 pm, students are not permitted to use WCDs without permission from staff. Students in violation of this expectation will have their device confiscated and sent to the Assistant Principals Office. Student devices will be returned to the student or parent/guardian at the end of the day. Student will receive a consequence for the offense. Please refer to the WCD policy 5136 for more information.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. Students may use school phones to contact parents/guardians during the school day with permission of the building administration. Students are personally and solely responsible for the care and security of their WCDs. The Board assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices.

CHANGE OF ADDRESS OR INFORMATION

Whenever a change occurs in your child’s address, phone number, etc. it is important that you inform the school immediately. Address changes require that the parent provide the guidance office with a Change of Address form and an acceptable proof of residency copy; such as a cable, water, phone, or electric bill, a lease agreement or closing documents. It is also important to inform the school whenever a change in the custody of a child occurs. All court papers pertaining to a child’s custody should be provided to the school with the residential parent designated. These documents will be placed in the student’s cumulative file.

CHEATING/PLAGIARISM

Cheating is considered a very serious offense by the faculty and staff of Springboro High School. Plagiarism is a violation of academic integrity, and any student in the high school who is found guilty of plagiarism is subject to serious repercussions listed below.

Plagiarism is an act of fraud. It involves both stealing someone else’s work, and lying about it afterward. When you plagiarize you use another’s original words or ideas as though they were your own.

Specific examples:

- A. Turning in another’s work, word-for-word as your own. This includes copying someone else’s homework,
 - B. Copying words or ideas from someone else without giving credit (meaning citing the source).
 - C. Giving incorrect information regarding the sources.
 - D. Changing words but copying the sentence structure of a source without giving credit. Changing the words (paraphrasing) of an original source is not sufficient to prevent plagiarism. If you have retained the essential idea of an original source, and have not cited it, then no matter how drastically you may have altered its original context of presentation, you still have plagiarized.
 - E. Copying so many words or ideas from a source that it makes up the majority of your work, whether you give credit or not.
- 1st offense: 2 days In School Suspension as well as a zero on the assignment
2nd offense: 5 days In School Suspension as well as a zero on the assignment
3rd offense: 3 days Out of School Suspension as well as a zero on the assignment

DRESS AND GROOMING

Appropriate student dress and grooming practices are as important as appropriate conduct in Springboro Schools. Part of the total education of students is learning to dress appropriately and behave responsibly in a variety of situations, and students are expected to dress in a manner that is appropriate to the school environment. The best guide for proper dress and grooming is common sense, and it is best supervised by students and parents/guardians for themselves. In order to establish and preserve an atmosphere in our schools that is conducive to learning, Springboro Schools have adopted the following dress guidelines for students. The following regulations will assist parents, students, faculty and administrators in determining appropriate student standards for dress and personal appearance while at school or school related functions:

- Parents/guardians and students maintain responsibility for following the student dress code.
- The administrators, with the assistance of the staff, have the final responsibility of enforcing the student dress code.
- When any dress or grooming interferes with the cleanliness, health, welfare, safety of students or disrupts the educational process, it is prohibited.
- Sponsors and teachers of elective programs or elective activities may require stricter standards regarding dress and personal appearance for participants in their program or activity. The administration, athletic director or band director must approve clothing for student participants in school-sponsored extracurricular activities.
- The dress code may be modified by the building principal for the purpose of school spirit days or other special school-wide events.
- Exceptions due to religious, ethnic, or cultural beliefs will be considered by the building principals.
- The student dress code guidelines may be reviewed annually.

Students shall adhere to these regulations for dress and personal appearance:

1. Shirts and tops should be long enough to tuck into pants, and have high enough necklines to cover all cleavage. Shirts and tops that reveal portions of the waistline, torso or chest are not appropriate. Shirts should not be see-through. For girls, sleeves are deemed appropriate if the strap follows the three inch rule, i.e., the strap is three or more inches wide (four fingers wide). No spaghetti straps are permitted. No undergarments should be visible. No muscle shirts, tube tops, halter tops or tank tops should be worn alone. For boys, shirts are to have a sleeve (no tanks or "manks").
2. Skirts and shorts are considered appropriate when no shorter than four inches above the knee. Pants and shorts will be worn where the rise is high enough so that no undergarments are visible, and a belt will be worn when necessary. Yoga pants or tights type garments will only be worn under skirts, dresses extending to 4 inches above the knee, or under tops long enough to maintain the same coverage.
3. No skin should be visible between bottom of tops and top of pants, skirts or shorts.
4. Dresses should have a neckline that covers all cleavage, and a hemline that is no shorter than four inches above the knee. Dresses may not be backless or strapless. Shirts will have a neckline that covers all cleavage and not be backless.
5. Coats, hats and backpacks may be worn to and from school, but must remain in the student's locker throughout the school day. Light jackets may be acceptable. Small purse or pencil pouch may be carried.
6. Clothing that has profanity, sexual innuendo/overtones, promotes drug, alcohol or tobacco products, makes reference to gang-related, satanic/cult like activity, or promotes violence is not appropriate for school. These examples are not all inclusive and other types of messages may be deemed inappropriate for the school environment.
7. Clothing that is ripped, cut, or altered (including "distressed") to achieve an unusual effect in inappropriate areas or exposes skin four inches above the knee shall not be permitted. Holes in jeans will not be permitted if four inches above the knee.
8. Dresses and skirts will not drag the floor.
9. Head coverings such as hats or hoods are not permitted.
10. Sunglasses, chains hanging from pants, pajamas, slippers, arm/neckwear or piercings with spikes of any kind are not permitted.
11. Grooming, hairstyle and/or wearing of clothing, jewelry, or accessories, which by virtue of color, arrangement, trademark or other attribute denotes or implies membership in a group, gang or cult impedes the learning process and will not be permitted.
12. Prek-5: for safety reasons students are not permitted to wear flip flops, crocs without a heel strap, or sandals without a heel strap, or "heelys" (shoes with wheels). Gym shoes are preferred.
13. With changes in fashion and style, administration reserves the right to determine if a violation of the dress code has occurred.

A student found to be in violation of the dress code will be expected to make appropriate and immediate corrections. Parents/guardians will be notified and responsible for bringing an appropriate change of clothing when possible. If a student does not have alternative clothing, they will be required to change into school provided appropriate dress. Failure to abide by this dress code will result in progressive disciplinary action in accordance with the Springboro City Schools Code of Conduct.

EIGHTEEN YEAR OLD STUDENTS

Eighteen-year-old students must comply with school rules and regulations. Dependent eighteen year old students will still be expected to bring an excuse note and permission slips from their parents or guardians. Moreover, an eighteen year old student is no longer legally required to attend school; education becomes a privilege rather than a legal necessity. For this reason, adult students must deal with different decisions than students who are considered minors under the law.

EMERGENCY DRILLS

Emergency drills will be held periodically in accordance with state laws. Instructions for clearing the building in case of an emergency will be posted in each room. Students are expected to remain quiet and follow the instructions provided by their teachers.

FOOD/POP/CANDY/GUM, ETC.

Open beverage containers, travel mugs, water bottles, food, candy, gum, etc. are not permitted in the academic wing at anytime, or other instructional areas (i.e. band room, choir room, gymnasium, etc.). These items will be confiscated and disposed of and disciplinary action could result. Students may not use the vending machines between 7:30 AM and 2:25 PM. Food purchased in the cafeteria is to remain in the commons.

HALL PASSES

Students are expected to carry their Agenda books to each class. When students ask permission to leave the classroom, they are to use the hall passes in their agendas. Students are not allowed to use another student's Agenda for hall pass usage.

IMMUNIZATION REQUIREMENTS

Immunization records for students in grades 6-12 must be current when school starts. According to state law, if a child's records are not current that child will be excluded from school. If a student's immunization record is not complete at the time school begins, updated records must be provided by the parent/guardian.

All 12th Grade Students must provide documentation of documentation of the Meningococcal (MCV4) vaccine(s). Record of TWO doses of the meningococcal vaccine must be administered prior to entry of Grade 12. The recommended MCV4 minimum interval is at least 8 weeks between dose one (1) and dose two (2). If the first (1st) dose of MCV4 was administered on or after the 16th birthday, a second (2nd) dose is not required. Or an exemption waiver must be on file. Any 12th grade student who does not have proof of the MCV4, or a waiver on file, will be excluded from attending school. Students new to the Springboro school district will have fourteen (14) days to provide proof of immunization.

LOCKERS

Lockers are the property of the Board of Education and, in accordance with law, may be subject to random searches. To provide safety for materials, the administration recommends that students lock their lockers. Students are to use only the locker assigned to them. Damage to lockers, such as the placing of bumper stickers, etc., is subject to fines.

The outside of lockers may be decorated, but students may only use magnets or masking tape to attach items. Any items on a locker which are deemed inappropriate or use a non-masking tape will be removed.

LUNCH PRICES

HS \$2.65

Reduced lunch all schools \$0.40

Milk \$0.55

- Lunch payments may be made on-line through e-funds for schools. Cash or check (payable to Springboro Schools) is also accepted.

The lunch period is an integral part of the school day. The school cafeteria is maintained as a vital part of the school. We have a closed lunch period; students are required to eat at school and may not go out for lunch. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. Also, students are not allowed to have carry-out orders brought in to them from restaurants, etc. without prior permission of the administration

MEDICATION (POLICY 5330 - USE OF MEDICATIONS)

Prescription Medication

In order for a student to use/consume any prescription medication at school, he/she must have the doctor and parent fill out the Request to Administer Medicines Form and follow Policy 5330-Use of Medications. The form and medication must be brought to school by a parent in the original container and kept in the school office and administered by school personnel. Students are not to have medication in their possession at school or disperse/transfer medication to anyone for any reason. Those students who do not follow these procedures may be disciplined.

Non Prescription (over-the-counter) Medication

In order for a student to use/consume any over-the-counter medication at school, he/she must have the parent fill out the Request to Administer Medicines Form and follow Policy 5330-Use of Medications. The form and medication must be brought to school by a parent in the original container and kept in the school office and administered by school personnel. Students are not to have medication in their possession at school or disperse/transfer medication to anyone for any reason. Those students who do not follow these procedures may be disciplined.

NATIONAL HONOR SOCIETY

If a Junior or Senior student meets the grade point average criteria for National Honor Society listed under "Academic Honors", they then **must**:

- Attend a **mandatory** meeting where the process is explained.
- Fill out an activity sheet.

Once the activity sheet is turned in to the NHS advisor, the student will be considered for membership. The following then occurs:

- Teachers get a list of those being considered and have the opportunity to recommend or not recommend each for membership. When a teacher does not recommend a student, an explanation must be given
- The recommendation forms and activity sheets are brought before the Faculty Council, consisting of five teachers. The Faculty Council then votes on each student where three "yes" votes are required for membership.

All recommendation forms and discussions at the Faculty Council meeting are strictly confidential. All decisions of the committee are final.

STUDENT BACKPACK USAGE

Students are permitted to bring backpacks to school; however, they must be stored in the students' lockers. Backpacks will not be permitted in the building between classes, during class or at lunchtime.

STUDENT JOURNALISM

Official student publications (newspapers, yearbook) are a part of the school curriculum and editorial control remains with school authorities. These publications are a school forum and not a public forum.

STUDENT NETWORK USAGE

Students must follow all regulations of the Acceptable Use Policy (AUP). This document is provided to students and parent/guardian at the beginning of the school year. It must be signed by both the student and parent/guardian to permit access/usage of school computers and network.

Failure to follow the AUP may result in any or all of the following sanctions:

- A. Loss of access/usage,
- B. Disciplinary action,
- C. Restitution for physical and or network damages.

STUDENT PARKING/DRIVING EXPECTATIONS

Students driving to school and parking their vehicle or motorcycle on school property must have it registered and must display the parking tag in the front window or on the rear view mirror. Parking is provided as a convenience and privilege. School officials retain the right to examine the contents and/or search a car parked on school premises when they have a reasonable suspicion that items contained in the car may interfere with the safe or effective operation of the school. Parking privileges can be taken away at any time and/or disciplinary action taken for the following reasons:

- A. Tardiness to school (loss of parking as explained in tardy policy)/poor attendance
- B. Poor driving habits
 - 1. Reckless operation of your vehicle
 - 2. Not following the assigned traffic pattern
 - 3. Driving in an off-limits area
- C. Unsafe vehicle
- D. Parking tag not properly displayed on rear view mirror
- E. Not parking in your assigned parking space
- F. Students are not allowed to trade/switch parking spaces without prior permission from the administration
- G. Students are not allowed to drive through the bus pick-up/drop-off area

The school is not responsible for the vehicle or its contents. Students applying for the parking permit accept full responsibility for knowing and following the above regulations. After parking, students are expected to come directly to the building and not sit in his/her car. Students with repeated violations will lose their parking privileges at school.

STUDENT SEARCH AND SEIZURE

The Board of Education recognizes that the privacy of students may not be violated by unreasonable search and seizure and directs that no student be searched without reason or in an unreasonable manner.

The Board acknowledges the need for in-school storage of student possessions and shall provide storage places, including desks and lockers, for that purpose. Such spaces remain the property of the Board and, in accordance with law, may be the subject of random search. Where locks are provided for such places, students may lock them against incursion by other students, but in no such places shall students have such an expectation of privacy as to prevent examination by a school official.

School authorities are charged with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search the person or property of a student, including vehicles, with or without the student's consent, whenever they reasonably suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. Search of a student's person or intimate personal belongings shall be conducted by a person of the student's gender. This authorization to search shall also apply to all situations in which the student is under the jurisdiction of the Board.

Whenever possible, a student search will be conducted by the principal in the presence of a staff member other than the principal. A search prompted by the reasonable belief that health and safety are immediately threatened will be conducted with as much speed and dispatch as may be required to protect persons and property. Administrators are permitted to conduct a random search of any student lockers and its contents at any time, providing proper notice has been posted in the locker areas of each building.

The Board also authorizes the use of canines, trained in detecting the presence of drugs, when the Superintendent has reasonable suspicion that illegal drugs may be present in a school. This means of detection shall be used only to determine the presence of drugs in locker areas and other places on school property where such substances could be concealed. Canine detection must be conducted in collaboration with law enforcement authorities and is not to be used to search individual students unless a warrant has been obtained prior to the search.

The principal shall be responsible for the prompt recording in writing of each student search, including the reasons for the search; information received that established the need for the search; the persons present when the search was conducted; any substances or objects found; and the disposition made of them. The principal shall be responsible for the custody, control, and disposition of any illegal dangerous substance or object taken from a student. Drugs, alcohol, paraphernalia or lighters that are confiscated will not be returned. Any confiscated item that may be connected to a criminal act will be turned over to the school resource officer.

SUBSTANCE ABUSE EDUCATION AND INTERVENTION – STUDENTS

A. Philosophy Statement

The Springboro Community School District recognizes its responsibility to provide all students with an environment conducive to the development of their maximum learning potential. The presence of alcohol and other drugs in the school or students who have alcohol and other drug problems is a deterrent to learning, thereby limiting, interfering with or inhibiting the primary responsibility vested in the educational system.

The Board has established a drug free zone within 1000 feet of any facility used by the District for educational purposes.

The District is concerned about the disruption of the learning environment of all students exposed to alcohol and other drug related behaviors. The District is concerned about the health of its students. Students adversely affected by alcohol and other drugs in the school increase the likelihood that the safety and well being of our students will be disrupted through accidents, fights, absenteeism, poor academic performance, chronic discipline problems, etc.

Springboro Community Schools Board recognizes that student alcohol and other drug use is wrong and harmful. Student alcohol and other drug use is a community problem requiring a community solution. Since Springboro Community Schools are an integral part of the community, it is in the best interest of the community that steps be taken to promote, enhance, and maintain a drug-free school environment. The District also recognizes that alcohol and other drug use may lead to addiction, a treatable medical disease. In response, it is the policy to provide discipline as well as positive action to address alcohol and other drug use and/or dependency.

In developing this policy, the Board has tried to maintain a balance between compassion and aid to students suffering from alcohol and other drug use, and the protection of the academic environment of students who wish to learn. It is recognized that the rights of students who do not use alcohol and other drugs must be protected. They should not have to be exposed to the possibility of being involved in illegal activities. The Board recognizes that the rights of administrators and teachers to perform their duties must be protected. They must take their place as educators and not perform the duties of police or a diagnostician. Additionally it is important to recognize the School District is not a treatment program. Diagnosis, treatment, and aftercare are complex processes that require trained specialists. Instead our goals are **education/prevention, intervention/referral and support/guidance.**

The Board is responsible for establishing a policy and directing its implementation. The policy is enforced by District administrators and Drug Free Schools program Coordinator. The Board calls upon administrators, faculty, staff, parents and students to collectively ensure the policy's success.

B. Policy Statement

The Board shall not permit any student to possess, transmit, conceal, show evidence of having consumed, be under the influence of, use or offer for sale any alcoholic beverages, illegal drugs, unprescribed drugs, look-alike drugs or any mind altering substance while on school grounds or facilities; at school sponsored events; in other situations under the authority of the District or in controlled vehicles, which includes school owned vehicles and private vehicles parked on school property or at school sponsored events. Included in this prohibition are any substances represented as a controlled substance, nonalcoholic beers, steroids, tobacco and tobacco products, and any drug-related paraphernalia as the term is defined by law.

Students found in violation of this policy will be subject to disciplinary action as prescribed within the student code of conduct up to and including expulsion and referral for prosecution. A reduction in penalty may be granted if the student receives professional assistance. Professional assistance may include but not be limited to assessment with follow through based on the assessment findings, an alcohol/drug education program; counseling, outpatient treatment or inpatient treatment. Students who need to take prescription or nonprescription medications must adhere to the policies described within the student handbook.

C. Education/Prevention

The District will take a comprehensive, progressive, age appropriate approach in the development of curricula and programs which promote positive life skill development and an awareness of the consequences associated with alcohol and other drug use. The guidelines, goals, and objectives for prevention/education development will be based on information provided through our local advisory board, Ohio Department of Education, and the Ohio Prevention and Education Resource Center.

Additionally, opportunities for continued alcohol and other drug use prevention and intervention staff training and awareness will be made available in order to enhance the consistent implementation and success of this policy.

D. Intervention/Referral

It shall be the policy of the schools to provide an intervention process designed to confront problem behaviors within students which may indicate alcohol and other drug use. Intervention strategies will reflect a collaboration of staff administrators, guidance and drug free schools program coordinator. Intervention strategies will be initiated but not limited to the following circumstances:

1. Students seeking help.
2. Students exhibiting inappropriate, unusual or atypical behavior.
3. Disciplinary action involving violations of this policy and the student code of conduct.

A working relationship will exist among the District and local professional helping agencies in order to enhance familiarity, communication, referral and follow-up.

The District will maintain a file of information about any drug and alcohol counseling, rehabilitation and re-entry programs that are available to students.

Students successfully completing an inpatient treatment program will not be penalized for days missed from school. Students will be recognized as absent due to medical reasons. Every effort will be made by the schools to maintain contact with the treatment agency and provide academic instructional materials. Additionally, every effort will be made by the District to assure the students successful transition back into the school atmosphere.

E. Support/Guidance

Springboro Community Schools recognizes the importance of guidance activities which provide support to students who are experiencing problems either directly or indirectly due to alcohol and other drug use. Therefore, programs such as individual guidance, support groups and mentorship programs will be utilized as a means of providing support and guidance to students within the school environment. Such activities may also be provided which promote drug free lifestyles and support for students who are concerned in regards to a loved ones alcohol or other drug use.

F. Parent/Community

Parent involvement must coincide with school efforts in order for significant and consistent positive impact in regards to student alcohol and other drug use. Therefore, through the community arm of our drug free schools program and guidance plan, parent education programs shall be made available to the community. These programs will focus on parental prevention and intervention strategies.

G. Student and Parent Notification

At the beginning of each school year, the student code of conduct is to be reviewed with every student as part of the orientation process. Students and parents will be notified that compliance with this policy, and standards of conduct set forth in the student code of conduct, are mandatory. Notices will be sent home to parents and/or guardians, requiring a parental signature each year, in order to ensure parental support and compliance.

Additionally, the Superintendent shall establish administrative guidelines necessary to ensure that proper notice regarding the use of anabolic steroids is posted in each of the District's locker rooms used by students in grades 7-12.

H. Offenses and Disciplinary Action

The following procedures shall be followed in dealing with possession, use, transmission, or being under the influence of drugs and/or alcohol. All students are responsible for understanding the schools Alcohol and Other Drug policy. The students are to use this information to make appropriate decisions about substance use.

1. First Offense

- a. The principal will try to notify the parent(s)/guardian(s) by phone to explain the incident and arrange a conference.
- b. The principal will suspend the student for ten (10) days in compliance with student due-process procedures. A student involved in a co-curricular or extra-curricular activity will be ineligible to participate during the term of the suspension. Any reduction of suspension due to participation in a professional evaluation will apply to extra-curricular activities also. Students involved in extra-curricular or co-curricular activities will be subject to appropriate penalties in the rules of the activity.
- c. Within twenty-four (24) hours, the principal shall notify the parent(s)/guardian(s) in writing of the suspension using the Suspension Form.

The Board strongly recommends that students who have been suspended for a first violation of the policy seek a professional evaluation and, if appropriate, treatment from a trained chemical dependency counselor or a licensed physician trained in chemical dependency. The suspension of a student who agrees to be evaluated and follows through with the recommendations of the evaluator will be commuted to five (5) days. School officials will provide a list of agencies/professionals who can do the assessment and provide treatment if appropriate.

The choice of agency/professional is left to the student and the family. Fees for this assessment and treatment are the responsibility of the student and family. Upon receipt of appropriate authorization, the agency or professional will be requested to notify the principal that the student has been evaluated.

Coaches and advisors of school-sponsored activities will formulate written rules, approved in advance by the principal, for student participants who disregard the substance abuse education and intervention policy. These rules in no way replace the substance abuse education and intervention policy. These written rules shall be presented to the students at the beginning of their participation in the activity.

2. Second and Subsequent Offenses

- a. The principal will contact the parent(s)/guardian(s) to arrange a conference.
- b. The principal will suspend the student for ten (10) days in compliance with student due process procedures.
- c. The principal shall notify the parent(s)/guardian(s) in writing of the suspension using the Suspension Form.
- d. The principal will recommend to the Local Superintendent that the student be expelled unless the stated procedure is followed:
 - 1) The student must agree to be evaluated by a trained chemical dependency counselor or a licensed physician trained in chemical dependency and to follow the recommendation of the evaluator.
 - 2) Upon appropriate authorization, the agency or professional notifies the principal that the student has decided to follow through with the recommendation of the evaluator. If the student is following through with the recommendation of the evaluator, s/he will not be recommended for expulsion.

The following procedures shall be followed in dealing with supplying/selling of psychoactive or mood-altering chemicals, or substances represented to be controlled substances.

3. First and Subsequent Offenses

- b. The principal will suspend the student for ten (10) days in compliance with student due process and will recommend to the Superintendent that the student be expelled.
- c. The principal will notify the parent(s)/guardian(s) in writing of the suspension using the Suspension Form.
- d. The principal may refer the case to the local law enforcement authorities.
- e. A hearing on the case conducted by the Superintendent will be held. Based on the results of this hearing, the Superintendent will determine whether or not to expel the student.

TEXTBOOKS

Textbooks are a major investment by the school district. In order to help deter textbook damage, students are required to have "textbook covers" on all books that are loaned to them. If a textbook is misused, a fine will be imposed. If a textbook is lost, it is to be paid for according to the following schedule:

- New Book – 100% of cost price
- 1 Year Old Book – 75% of cost price
- 2-3 Year Old Book – 50% of cost price
- 4-6 Year Old Book – 25% of cost price
- Damaged binding and/or cover \$10.00

USE OF TOBACCO IN SCHOOL

Health professionals have determined that the use of tobacco products can be detrimental to one's health. The Board of Education wishes to promote good health practices among the adults and students using district facilities. Staff members are considered role models for students and the use of tobacco by staff is an example contrary to promoting good health practices for students. Staff members who currently use tobacco products are encouraged to participate in medically sanctioned activities designed to help them and their use.

Smoking, use, or possession of tobacco in any form, including, but not limited to, cigarettes, cigars clove cigarettes, chewing tobacco, snuff, and any other tobacco product is prohibited for students and restricted for adults in any area under the control of the School District or at any activity supervised by any school within the District. This also includes any school sponsored or sanctioned activity or event away from the District.

Violations by students will result in the following:

- A. First Offense – In-school suspension or out-of-school suspension for 3 days.
- B. Second Offense – In-school suspension or out-of-school suspension for 5 days, unless the student attends an approved clinic to end smoking or a similar activity approved by the school principal, in which case the penalty shall be reduced to three (3) days.
- C. Third Offense – Out-of-school suspension for ten (10) days and a recommendation for expulsion.

VISITORS

Parents and community members are welcome and encouraged to visit the school. Parents and community members must check in with the receptionist at the main entrance. **ALL VISITORS MUST HAVE THE APPROPRIATE VISITOR BADGE DISPLAYED WHILE IN THE BUILDING.**

Student visitors are limited to students of families who are planning to move into the district and the visit must be arranged through the Guidance Office. School policy does not permit visits from non-Springboro students during the school day.

Parents wishing to visit their child's classroom must make arrangements through the principal's office. Parents, relatives, agents, law enforcement officers, etc. must make appointments through the principal's office and must be in the presence of the principal, an assigned designee, or local superintendent before they may confer with a pupil during school.

No visitor shall possess a weapon of any kind with the exception of police officers of the City of Springboro or Clearcreek Township or those who are on duty during regularly scheduled searches (i.e. drug dog handlers).

WEAPONS

The Board of Education prohibits possessing, storing, making or using a weapon, including a concealed weapon on school property or at school events, as specified in Weapons Policies No. 3217, 4217, 5772, 7217, 5610 and 5500. In an effort to ensure the safety and welfare of students and staff and to promote a safe school environment, students and staff members are required to immediately report knowledge of dangerous weapons and threats of violence by contacting the building principal or by calling the Safe School Helpline. Failure to report such knowledge may subject the student or staff member to discipline.

WORK PERMITS

Applications for work permits may be obtained and returned to the Springboro High School main office. Work permit/physician certificate forms can also be obtained from Ohio Department of Commerce website: www.com.ohio.gov. For each new job, a student must obtain a separate work permit until age 18.

1. Fill out the application for employment certificate and have it signed by your parents/guardians and the issuing person.
2. Provide proof of age (a birth certificate, driver's license, passport, or baptism or other religious record showing place and date of birth).
3. Employer fills out and signs the pledge of employer card.
4. Physicians certificate
5. Return all forms to the Springboro High School main office and the designee will issue a work permit.

ATTENDANCE

ATTENDANCE PHILOSOPHY

The Springboro Community City School District is committed to provide a high quality education to the students. To achieve this goal, students must consistently be in attendance at school in all classes (including study hall). Attendance and promptness to class are the responsibility of the individual student and his/her parent or guardian. Attending class regularly and being on time allows the student the opportunity to positively benefit from the instructional program, as well as learning the necessary habits of punctuality, self-discipline, and responsibility.

Excessive absences cause disruption in the learning process. Students who display good attendance records generally achieve higher grades, are more self-confident, enjoy school more, and are more employable after leaving high school. Good attendance habits contribute to success in academics and extracurricular activities and carry over into later life occupational experiences.

Legal Requirement

R.C. 3321.01: All children between ages six (6) and eighteen (18) are of compulsory school age and must attend school.

R.C. 3321.03: It is the parent's responsibility to cause the child to attend school.

ATTENDANCE POLICY

The Springboro Community City School District follows county and state attendance policies. Beginning school year 2019-20, the following policy will be enacted:

Definitions - Absences, Tardy, Early Dismissal

- *Full Absence* - student does not attend school for an entire school day.
- *Partial Absence* - student (a) arrives to school 90 minutes or more after the start of the school day; OR (b) leaves school with 90 minutes or more remaining in the school day.
- *Tardy* - student arrives to school less than 90 minutes late.
- *Early Dismissal* - student departs from school with less than 90 minutes remaining.
- *Off Campus Leave* - student leaves school and returns on the same day. For example, leaving school to go to a doctor's appointment and returning back the same day. If the off campus leave is 90 minutes or more, then it will count as a partial absence. For example, leaving school to go to a doctor's appointment and returning back the same day.
- *Truancy* - Truancy is defined by R.C. 3313.609, as "any absence that is not excused".

Absences, tardies, early dismissals, and off campus leave can be designated as excused or unexcused by the school administration. Any time a student is not in attendance at school, the minutes will be added to the cumulation of overall hours of excused and/or unexcused absences/tardies/early dismissals/off campus leave during the school year.

Documentation of Absences, Tardies, Early Dismissals, and Off Campus Leave

Generally, twelve (12) absences from school (time out of school), which include full and partial days may be documented and excused by a parent/guardian phone call or note. Absences (time /out of school), full and partial days in excess of (12) absences may not be excused by a parent/guardian and shall require documentation by the child's treating physician, nurse practitioner, or physician's assistant unless an absence (time out of school, full or partial days) is otherwise excused by the Principal due to unusual circumstances.

- Medical notes shall not count against the (12) absences (time out of school full or partial days) that a parent/guardian may excuse.
- Tardies and early releases do not count toward the (12) absences threshold;
- One partial absence counts as one (1) towards the (12) absences threshold; Two partial absences count as (2) towards the (12) absences threshold and so on.

Students who miss school are required to have their parent/guardian contact the attendance office within 90 minutes of the school start time. If the school does not receive notification from a parent/guardian, a phone call will automatically be made to the parent/guardian.

If the parent/guardian fails to contact the school, the time away from school will be considered unexcused until a parent/guardian makes direct contact (within 5 days) with the attendance office to verify the student's absence.

This rule does not create an entitlement for a student to be absent from school (12) times. Application of this general regulation may be waived by school officials where circumstances indicate that its application does not serve the student's best interest. Those circumstances include but are not limited to: the student's attendance/grades in the current or prior school years; instances where students/parents/guardians have been adjudicated guilty for truancy related offenses or currently under active supervision or probation. If it is in the best interest of the student, school administration may grant excused absences from school (time out of school, full or partial days) only on the condition of a note from a physician, nurse practitioner, physician's assistant, or excused by the building Principal.

Nothing contained in this attendance regulation is intended nor should be construed as restricting the discretion of school official to make such inquiries and request such verification/documentation as is reasonably necessary to determine if the time out of school for full day absence, partial day absence, tardy, early dismissal, or off campus leave is excused.

Parental Excused Absences and Tardies

Absences for the reasons below count toward the twelve (12) absences threshold:

- A. Personal illness or injury.
- B. Medical or dental appointments (partial days, in most cases).
- C. Illness or death in the family.
- D. Quarantine of the home (limited to the length of quarantine as determined by proper health officials).
- E. Appointments for court.
- F. Head lice. Children excluded from school due to head lice are allowed two (2) excused absences. Days beyond the two (2) day limit are unexcused.

Principal Excused Absences and Tardies

Absences for the reasons below do not count toward the twelve (12) absences threshold:

- A. Funeral of immediate family member or relative.
- B. Religious holiday.
- C. College visitation, juniors and seniors, maximum of three (3) days total for school year (Parent/student required to provide verification of the date and time of the visitation from the college, university or technical college).

Unexcused Absences and Tardies

The school administration will make the final decision whether an absence/tardy is excused or unexcused once the proper documentation has been received regarding the absence/tardy. In general, unexcused absences/tardies include (but are not limited to):

- A. Missing the school bus.
- B. Experiencing transportation problems at home or on the way to school.
- C. Remaining at home to complete school assignments.
- D. Missing school without legitimate illness.
- E. Oversleeping. Alarm clock (student's or parent's) failed to work.
- F. "My mom didn't get me up."
- G. Not having suitable clothing to wear to school.
- H. Working at a job during the school day without a proper work permit.
- I. Babysitting.
- J. Any form of recreation.
- K. Personal business that can be done after school or on weekends.
- L. "Helping at home" or "was needed at home".
- M. "I had a game last night."
- N. Senior pictures/portraits.

Medical Excuses

Medical excuses are acceptable documentation of an absence or tardy to school following a personal, in-office examination by a physician. Doctors may only excuse absences or tardies to school for the specific dates the student was under his/her direct medical care (during which the student was medically unable to attend school). Excessive medical excuses may result in the school contacting the physician for additional medical documentation.

Military Provision

Students may receive up to five (5) additional excused absences per school year for the purpose of attending the deployment or return of a military parent/sibling. These days shall be approved in advance by the principal and will not count against the normal twelve (12) excused absences provision. Additional days of excused absences may be approved by the principal in special circumstances.

Unexcused Tardy to School

Being punctual to school is the minimum expectation that we have for all of our students. Any student arriving in class in their assigned seat after the school start time must report directly to the attendance office to obtain a tardy slip. The tardy slip must be presented to the teacher to be admitted to class. The attendance office will track tardies and report to the school administration.

In grades K-5, the school district will make parent/guardian contact when there have been 3 incidences of an unexcused tardy. For the 4th tardy, the school district shall, but is not limited to, a parent/guardian meeting, possible student consequences, home visit, or other interventions that the school district feels is appropriate to ensure the student's success. This policy will reset at the beginning of the 3rd quarter, as defined above.

In grades 6-12, the school district will make student and/or parent/guardian contact when there have been 3 incidences of an unexcused tardy. At the 4th tardy, the school district can, but is not limited to, a detention, and a parent/guardian meeting, home visit, or other intervention that the school district feels is appropriate to ensure the student's success. This policy **will not** reset at the semester.

Generally, the consequences for **unexcused tardiness** to school during a school year are the following for students in grades 6-12:

- 1st Tardy – Warning
- 2nd Tardy – Warning
- 3rd Tardy – Parent/Guardian notification and conference with student
- 4th Tardy – 8th Tardy – Detention for each tardy
- Subsequent Tardies – Consequences/interventions will be determined by administration

Early Dismissals

Students must bring in their early dismissal note to the attendance office the morning before school starts. In all cases, a parent/guardian must provide a valid reason for the early dismissal. Only names listed on a student's emergency contact list will be allowed to sign that student out of school.

When a student arrives on the campus property, the student is under the jurisdiction of the school district until the end of the day. No student may leave the premises during the school day without permission from the main office.

Consequences: Excused and/or Unexcused Absence Hours and Excessive Absences

If a student accumulates 38 hours of excused and/or unexcused hours in one month; or 65 hours of excused and/or unexcused hours in a school year, a warning letter will be sent to the parent/guardian. The Board authorizes the Superintendent to establish a hearing and/or notification procedure for those students who have excessive absences/tardies.

Consequences: Unexcused Absence Hours and Habitual Truancy

If a student accumulates 30 consecutive unexcused hours, 42 unexcused hours in a month, or 72 unexcused hours in a school year, an Absence Intervention Meeting will occur. If a parent/guardian fails to appear/respond in the Absence Intervention Meeting the school will make a referral to Children Services or instruct the team to develop a plan without the parent/guardian's input. If the plan is not followed, a complaint of truancy will be filed in Juvenile Court. In addition, "contributing" charges may be filed against the parent(s).

If a student who is habitually truant violates the order of the Juvenile Court regarding the student's prior adjudication as an unruly child for being a habitual truant, s/he may further be adjudicated as delinquent child.

In order to address the attendance practices of a student who is habitually truant, the Board authorizes the Superintendent to take any of the following intervention actions:

- A. assign the student to a truancy intervention program
- B. provide counseling to the student
- C. request or require the student's parent to attend a parental involvement program
- D. request or require a parent to attend a truancy prevention mediation program
- E. notify the Registrar of Motor Vehicles of the student's absences
- F. take appropriate legal action
- G. assignment to an alternative school

The Superintendent is authorized to establish an educational program for parents of truant students which is designed to encourage parents to ensure that their children attend school regularly. Any parent who does not complete the program is to be reported to law enforcement authorities for parental education neglect, a fourth class misdemeanor if found guilty.

Students admitting to the truancy charge or adjudicated as unruly/delinquent for truancy may be ordered by the Juvenile Court to return to school and accumulate no further unexcused absences or tardies until graduation. A violation of court order may be filed against the student for any future unexcused absence or tardy. The same applies to parents who have plead or been found guilty of "contributing" charges. Juvenile Court may retain jurisdiction of students until they graduate, obtain their GED, or attain twenty-one (21) years of age.

Warren County Inter-School Attendance Agreement

Student attendance records shall be maintained for students moving from one (1) Warren County school district to another district within the county. This includes all provisions of this policy (excused/unexcused absences, steps in the truancy process, et. al.)

Warren County Satellite Classes

Springboro Community City Schools accepts the attendance policies and procedures of the partner school in regards to their students who attend the partner school satellite classes within their district. These policies and attendance documentation will be maintained at the partner school.

Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

The Board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that s/he reports to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.

If you have any questions regarding the state attendance policy, please call the building main office or the County Attendance Office (513) 695-2900.

Perfect Attendance

Perfect attendance is defined as being present in school every day that classes are in session. To have perfect attendance, students must not have any excused or unexcused absences, tardies, early dismissals, or off campus leave. Although absences due to medical or dental appointments, legal appointments, special activities, and religious holidays may be "excused," they will prevent a student from achieving perfect attendance.

Other Attendance Situations

Students that are involved in College Credit Plus programming, school sanctioned activities and modified academic school schedules must sign in and out in the Attendance office and comply with school rules regarding their programming.

Make-Up Work

Excused absences and tardies allow students to make-up all missed assignments and assessments. The general rule is the length of make-up opportunity is equivalent to the length of the absence. Students are expected to make-up assignments and assessments missed due to unexcused absences or tardies.

Students in grades K-5 will be given eighty percent (80%) credit for assignments and assessments completed for unexcused absences.

Students in grades 6-8 will be given sixty percent (60%) credit for assignments and assessments completed for unexcused absences.

Students in grades 9-12 will be given no credit for assignments or assessments completed for any unexcused absence.

Suspension – Out of School Make-Up Work

Students suspended will receive sixty percent (60%) of the earned grade on any assignment or assessment.

Tardy to Class

A student is considered tardy to class if he/she is not in the classroom when the bell rings. Teachers may further define their expectations for an individual classroom. The consequences for tardiness to class during a semester:

- 1st Tardy – Warning
- 2nd Tardy – Warning
- 3rd Tardy – Afternoon detention
- 4th Tardy – Office Referral
- 5th and Subsequent Tardy – Consequences will be determined by administration.

Athletics, Student Activities, Cheerleading, and Student Attendance

A student must be in school to participate in or attend a school function that evening. Only the principal may excuse a student for being absent from school and allow a student to participate in an event. The absence must be verified in advance and be for medical, dental, family death, legal, or school-related reasons. Continuous absences will result in removal from the activity and school discipline.

Passes for Leaving School

Students are not permitted to leave the school grounds at any time during the school day without approval from the school office. If a student must leave the building because of illness or any other emergency, that student must get permission from designated school personnel. Parental permission to leave school must also be secured by school officials before a student may sign-out in the attendance office. Failure to follow the school building's proper procedure will be considered an unexcused absence.

A student may leave school before the day ends provided the parent/legal guardian writes a note indicating the student has a medical, dental, or legal appointment, or that an emergency exists. This note, with a telephone number or an appointment card, must be turned into the office before school begins. Most of these absences (including appointments to get driver's licenses) should only result in a partial or one half (1/2) day absence from school. Students will not be excused for the entire day unless it is verified by the specific appointment stating the need to be out all day. Elementary students must have a note indicating a change in the student's routine (a bus student being picked up or walking, rather than riding the bus).

There is no legal, acceptable reason for any student to miss school in the name of a "skip day," therefore, any student participating in such an unauthorized activity shall be deemed truant and will be dealt with according to the rules of truancy.

TRANSPORTATION RULES AND EXPECTATIONS

The purpose of a school transportation system is to deliver students to and from school and to authorized curricular and extra-curricular events; therefore, the same conduct expected in the school is required on the bus, and at loading points on and off school property. Riding the bus is a privilege; the privilege will be suspended for students who cannot abide by the rules and regulations prescribed by Ohio law and local Board of Education rules. Students are not permitted to switch bus stops. Bus stops are assigned by the bus supervisor and any infractions may cause the denial of a student to ride the bus. The school bus is an extension of the school and the same school rules apply. However, the bus is a moving vehicle and the driver's primary responsibility is to drive the bus and get the students to school safely.

The bus driver must concentrate on the road. He or she monitors students' behavior by looking in the rear view mirror. Consequently, he or she will not see everything that takes place on the bus.

Listed below are the rules governing students on school buses. Please read the rules. Violations may result in loss of riding privileges.

RIDING THE BUS

1. Take the seat assigned by the driver, or if not assigned a seat, go to the rear of the bus if you are the first to get on. Take your seat quickly. Do not stand.
2. Share your seat with other pupils. The bus is designed to sit three to a seat.
3. Keep arms, head, hands, and feet or other objects inside the bus. Do not put them outside an open window.
4. Do not throw anything out of the bus.
5. Do not smoke, eat, drink, or litter on the bus.
6. The use of alcohol, tobacco and non-prescribed drugs on the bus is prohibited.
7. Talk quietly at all times. At railroad tracks or intersections there is to be no talking.
8. Do not damage the bus in any way. Damage will be assessed to the pupil.
9. Learn how to get off the bus in an emergency. Your driver will have practice drills.
10. Dangerous items such as animals, firearms, weapons, ammunition, or explosives are prohibited.
11. Equipment such as musical instruments, athletic uniforms, etc. is not to be in the aisles.
12. No aerosol cans of any type are permitted on the bus – hairspray, deodorant, etc.
13. Do not use any abusive or profane language.
14. Do not, strike, push, or otherwise abuse another pupil while riding the bus.
15. Do not leave your seat while the bus is in motion.

GETTING ON AND OFF THE BUS

1. Help the driver maintain the schedule. Be at the bus stop before the bus arrives. The bus will not wait.
2. Wait for the bus on the side of the road of your residence. Do not cross the road until the bus stops and the driver signals you to cross.
3. Cross ten feet in front of the bus. Never cross behind the bus.
4. Look both ways before crossing. Other vehicles might not stop for the bus.
5. Do not crowd or push when getting on or off the bus.
6. At school loading zones, students are not permitted to be on the bus if the driver is not present.
7. Students are permitted to leave or board the bus only at locations to which they have been assigned, unless they have parental and administrative approval.

CARRY-ON ITEMS

Students may only bring items onto the bus which they are able to carry and hold on their laps. If the item is too large and will not fit securely in their lap, it will not be permitted on the school bus. Parents will need to make alternate arrangements for larger items such as musical instruments, class projects, athletic equipment, athletic bags, skis, etc.

SCHOOL CLOSING/DELAY

The best and most accurate way to stay informed of school closings and delays is through our district website: www.springboro.org. It is recommended that parent/guardians sign up for the One Call Now system in the Parent Resources section of the district website to receive automated updates. Other resources include local news outlets.

GUIDANCE

Guidance services at the high school include academic, personal, career and college counseling. Some of these services include group or individual counseling, testing and consulting with teacher, principal and parents. The guidance department coordinates the testing program, which includes PSAT, ACT, SAT, AP, AIR, and others.

A student who wishes an appointment with a counselor should sign up through the guidance secretary. You must have a pass from the Guidance Office or a pass from your teacher to visit the Guidance Office.

Teachers, parents or the student may refer an individual to the counselor. The counselors are an important resource in helping students develop to their full potential.

The contents contained in this section of the handbook highlights the areas that affect our students every day. For more details and information refer to the Springboro Program of Studies and to Board Policy 5420-Reporting Student Progress.

GRADE REPORTING

Progress will be reported using percentages for all students in grades 6 – 12. Any percentage below sixty (60) will be considered failing course content (course content is defined as mastery of objectives through assessments, homework, daily class work, and/or participation). No grade will exceed 100% with the exception of “weighted classes.

EARNING CREDIT

To receive credit for a semester course, the student must receive a sixty percent (60%) or higher for the second quarter of the class (note this may be the fourth quarter of the year) and receive a semester average of sixty percent (60%) or higher.

To receive credit for a yearlong class, the student must receive a sixty percent (60%) or higher for the second semester and receive a grade for the year of sixty percent (60%) or higher.

GRADE POINT AVERAGES (INCLUDING WEIGHTED CLASSES)

Springboro High School

Grade Point Averages based on the Quality Points Earned shall be maintained for the purpose of reporting to colleges and universities. The following table provides the conversion for calculating the GPA based on the quality points earned

Percentage	Quality Point Value
103-110	5.0 (Weighted Classes Only)
101-102	4.7 (Weighted Classes Only)
93-100	4.0
90-92	3.7
87-89	3.3
83-86	3.0
80-82	2.7
77-79	2.3
73-76	2.0
70-72	1.7
67-69	1.3
63-66	1.0
60-62	0.7

The cumulative percentage will be used to determine eligibility for Principal’s List, honor roll, class rank, National Honor Society, and other academic awards. A quality point grade point average will be maintained for the purposes of college admission.

All AP courses are weighted 10% and all Honors courses are weighted 5%. Please refer to the Program of Studies for a complete list of weighted courses.

CRITERIA FOR HONORS/AWARDS

A nine-week percentage grade point average shall be used to determine qualifications for the Honor Roll and the Principal's List at Springboro High School as outlined below:

Honor Roll: Percentage grade point average between 83 and 89 with no one percentage grade below 75, with no grade of incomplete and two (2) or fewer disciplinary referrals.

Principals' List: Percentage grade point average of ninety (90) or above with no one percentage grade below eighty-five (85), with no grade of incomplete and two (2) or fewer disciplinary referrals.

Perfect Attendance: Those students having perfect attendance should be rewarded. They will be rewarded with special allowances during the school day or exam days. This reward system is in place for perfect attendance and being on the academic honor roll.

A cumulative percentage grade point average shall be used to determine qualifications for other awards as outline below:

National Honor Society: A percentage grade point average of ninety-three (93) or above makes a student eligible for consideration in NHS

ACCESS TO SCHOOL RECORDS

The Springboro Board of Education wishes to inform all parents/guardians of students enrolled in any Springboro School that parents/guardians may call and request an appointment with the principal of the school to review their child's official school record. Students who are 18 years of age may make the same request. The records will be reviewed in the presence of the building principal or his designated representative. Upon request, education records shall be reproduced, unless said record is copyrighted or otherwise restricted, and the viewer may be charged a fee equivalent to the cost of handling and reproduction. In regards to any psychological report on the student, request for an appointment with the psychologist should be made.

COLLEGE VISITATION REQUEST PROCEDURES

The purpose of a college visit is to get detailed information concerning a college a student may want to attend. Many colleges and universities host open houses for this purpose. College open houses offer detailed information and college staff members are on hand to answer questions you may have. It is advisable that parents attend any college visit with their child. In order to have a college visit be counted as an excused absence, **the College Visitation Request Form**, available in the guidance office, must be completed and submitted to the guidance office *one week prior to the visit*. If the college visit form is turned in **within one week** of the visit, it will need approval by an administrator. Upon approval, another form will be given to the student. This second form must be completed and signed by an appropriate college representative. Failure to have the form completed will result in an **unexcused** absence. Juniors and seniors are permitted three (3) one day college visits to be taken before May 1st. Any college visits after May 1st must be approved by an administrator.

INSURANCE

During the first few days of school, students will be given the opportunity to subscribe to a student insurance program. Literature will be given to you so that you may take it home and have your parents subscribe to the insurance if they so desire.

REPORT CARDS

Report cards are issued at the end of each quarter, or nine-week sessions. They are given to students in homerooms for the first three quarters and mailed home after the fourth quarter. Percentage grades are used to designate pupil's progress.

SEMESTER EXAMS

A cumulative exam or assessment is to be administered in each class at the end of each semester. These exams or assessments are to be designed as a cumulative evaluation of the concepts covered in each semester or year-long class. The semester exam will count as 20% of the semester grade.

First semester exam dates are 12/17/19-12/20/19. Second semester exam dates are 5/18/20-5/21/20 for underclassman, and 5/14/20-5/15/20 for seniors. No exams will be administered prior to the start date of exams. Any rescheduling of exams must go through administration.

EXAM EXEMPTION POLICY

All school districts across the State of Ohio receive a report card from the state. One of the criteria used to evaluate school districts is attendance. The primary purpose of the Springboro High School exam exemption program is to provide an incentive to improve student attendance at school and reward academic performance. Students may be exempted from semester/final exams if they meet the criteria of the exam exemption procedures. Students may not exempt both the midyear and final examinations in the same course. At least one SHS examination (midyear or final) must be taken in each yearlong course.

While the exam exemption program has been designed as an incentive for students to attend school, it must also be understood that students with an exam exemption may take all exams if they choose to do so. In such a case, the exam grade will count only if it is higher than the average of the two final quarter grades within the semester.

It is important to understand that testing is an important part of academic life at Springboro High School. In addition to taking some semester exams, students also regularly take classroom tests, as well as such standardized tests as End of Course exams (AIR), AP exams, PSAT, SAT, and ACT.

GRADE LEVEL EXEMPTIONS: Students exam exemptions are based upon their grade level classifications below.

FRESHMEN: Two (2) exemptions with six (6) or more SHS courses; one (1) exemption with five (5) SHS courses;

SOPHOMORES: Two (2) exemptions with six (6) or more SHS courses; one (1) exemption with five (5) SHS courses;

JUNIORS: Three (3) exemptions with six (6) or more SHS courses; two (2) exemptions with five (5) SHS courses;

SENIORS: Seniors meeting the exam exemption criteria may exempt either the 1st semester or 2nd semester exam in each SHS course regardless of the number of SHS courses in which they are enrolled.

EXAM EXEMPTION CRITERIA: To qualify for an exam exemption, students must meet the following criteria.

- A. Student has no unexcused attendance records during the semester.
- B. Student has no more than four (4) excused absences/partial absences during the semester (any 2 tardies/early dismissals/off campus leave = 1 partial absence).
- C. Student's grade for both quarters in the SHS course is an 83% or higher.
- D. In weighted SHS courses, the student's quarter grade must be 83% before weight is added.
- F. The reported semester exam grade will be an average of both final quarter grades within the semester.

*See attendance policy for definition of unexcused, partial absence, tardies, early dismissals, and off campus leave.

AP COURSES AND FINAL EXAM EXEMPTION CRITERIA: To qualify for an AP course exam exemption, students must take the first semester exam and take the AP Exam associated with their AP course. Students who meet these criteria may exempt their second semester final exam. This exemption is independent from the above exam exemption criteria.

MENTAL HEALTH AND WELLNESS DEPARTMENT

The Mental Health and Wellness Department is comprised of the Mental Health Coordinator and three Resource Coordinators throughout the district. The Resource Coordinator program works under the Mental Health Coordinator. The Mental Health Coordinator and the Resource Coordinator Program work in conjunction with each of the schools to eliminate barriers to our student's education, helping families that need additional resources, and to provide assistance with mental health and wellness. We also work with Solutions which is a school based program to help our students with long term counseling.

MENTAL HEALTH COORDINATOR

The Mental Health Coordinator assists all buildings with their individual needs regarding mental health issues, truancy, Children Services situations, police/juvenile court issues, and family issues that impact school performance. The Mental Health Coordinator directs the Resource Coordinators, the Wellness Zone at the High School, and also runs the Springboro Community Assistance Center (SCAC). The SCAC helps families who are in need of additional support with meeting food and basic needs. The Mental Health Coordinator should be your first contact if you are wishing utilize the Mental Health Department services.

RESOURCE COORDINATOR PROGRAM

The job of the resource coordinator is to help eliminate non-academic barriers to children's education. A resource coordinator can help families with food, clothing, housing, kinship services, attendance issues, etc. Our students personal and family difficulties affect how they are doing socially and academically at school. The Resource Coordinators also work with the Springboro Community Assistance Center which helps families who are struggling with meeting their basic needs such as food, clothing, utilities etc.

IDEAS YOU COULD USE RESOURCE COORDINATORS FOR:

1. Groups: You can have them help with the groups you already run or have them start new groups that you know your building is in need of.
2. They can help with students who have behavior issues in the classroom or at home to develop behavior plans and work with the students weekly to achieve behavior goals.
3. They can do home visits for families who need help with resources, or for issues where a student's home life affects school.
4. They can help with the backpack program/ Christmas help/ children who are on the free and reduced list to provide needed resources for the family.
5. They can assist in the home with parenting issues. (Example: Families that you might have referred out to Parent Success)
6. They can help students who need help with Social Skills/Coping Skills.
7. They can contact parents with concerns regarding the student.
8. They can be a go to resource for students who just need to communicate positives or negative in their life.
9. They can help with student attendance/tardy issues.

The referral is interoffice mailed to Wendy Ford at the High School. If you have an emergency situation, please call Wendy's cell phone at 937-572-3167 and I will assign to the appropriate person and we can do the form at a later time. An example of an emergency would be one where you need immediate help due to a child's safety. IF you are in an emergency situation, the building administrator should be your first contact.

Procedures for reporting a possible abuse or neglect situation of a child:

The Ohio Revised Code section 2151.421 mandates that **school employees (not just teachers)** are required to make a report to child protective services (CPS) **OR** law enforcement (police) if they suspect that abuse/neglect is occurring. The law requires that you make a report if you believe that a reasonable person would suspect abuse or neglect. This does not mean that you have to prove that the abuse/neglect occurred, you only need to suspect that it has occurred or will occur.

Once you suspect possible abuse or neglect of a child, please follow one of these procedures:

- **Option 1:** Immediately contact your administrator to help determine if it is more appropriate to contact CPS or the police depending on risk to the child or siblings if sent home with the information you have obtained. The mandated reporter then calls CPS and/or police. Administrator can sit in on the phone call with employee if requested/preferred.
- **Option 2:** Immediately contact Children Protective Services or police immediately; (2) Then, contact your administrator immediately to report your concerns to them. This would be the option to choose if it is after school hours and you cannot get into immediate contact with a school administrator.

Once the phone call has been placed to CPS or police (or both agencies), you have fulfilled your obligation as a mandated reporter.

It is imperative that the administrator is involved in this process so they can determine the next appropriate steps after the report is made to CPS and/or police. If you cannot find your administrator, go to the secretary and ask for the administrator to be located and to contact you immediately.

If it is determined that the police will be contacted, you will be asked to write a statement about what was reported to you and provide that to the police.

It is important for all involved to ask students only the necessary clarifying questions to determine if a report needs to be made and to whom. The agencies that become involved will do the interviews with the students, as they are professionally trained in these matters.

To make a phone call to Warren County Ohio Child Protective Services: 513-695-1546 or 513-695-1600

When A Child Discloses Inappropriate Touching or Abuse:

If a child tells you someone has made them uncomfortable, below is a guide to help you support your child:

Try to remain calm do not express shock, panic or disbelief.

Find a private place to talk.

Be a listener not an investigator – encourage the child to talk in his/her language and ask just enough questions to act protectively. Say, "Can you tell me more about that?" Try not conduct any form of interview with the child.

Reassure the child that he/she has done the right thing by telling you. Stress that what has happened is not his/her fault. Say, "You are not in trouble" and, "If I look or sound upset it is because adults want children to feel safe"

Check your tone of voice and help the child make sense of what you are feeling. Say, "I am feeling concerned for you. What can we do right now is talk about ways to help you feel safer."

Act protectively. Say, "You know some people do wrong things. It is up to grown-ups to protect children. Every child has a right to be safe; we have laws to help protect children."

Do not make promises you can't keep. (For example, promising you will not tell anyone, as you need to tell someone in order to get help for the child.)

Contact Warren County Children Services at 513-695-1580 and/or the Springboro Police and state that you need to report child abuse. You may remain anonymous.

Do not contact the abuser, regardless of who that person is, leave this to Children Services and/or the Police.

Children whose parents or caregivers are supportive heal more quickly from the abuse.

Need Further Support?

If you have just discovered that your child or a child you care about has been abused, it may feel as if your world is falling apart. It is normal to need additional support as your family moves through the healing process. Parents may want to contact a mental health professional who has expertise in child trauma, or, alternatively, a pediatrician.

Talking to a professional can help assist in overcoming the distress associated with discovering that something has happened to your child .

HARASSMENT, INTIMIDATION OR BULLYING

The Board of Education does not tolerate harassment, intimidation or bullying of any student on school property or at a school-sponsored event, regardless of whether the event occurs on or off school property (including on school buses and other school-related vehicles). Students who engage in such behavior are subject to disciplinary action, including suspension or expulsion from school. The Board's commitment to addressing such prohibited behavior involves a multi-faceted approach, which includes education and the promotion of a school atmosphere in which harassment, intimidation and bullying will not be tolerated by students, staff or administration.

For purposes of this policy, the term "harassment, intimidation or bullying" means any intentional written, verbal or physical act that a student has exhibited toward another particular student more than once and the behavior both: (1) causes mental or physical harm to the other student; and (2) is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.

REPORTING PROCEDURE

Students, parents or guardians are encouraged to immediately report conduct they consider to be harassment, intimidation, or bullying to a teacher, guidance counselor, coach, principal, or other administrator. Likewise, all school personnel who become aware of harassment, intimidation, or bullying shall immediately report such behavior to their building principal.

Any staff member who receives a report of harassment, intimidation, or bullying shall promptly reduce the complaint to writing utilizing the Board of Education's harassment, intimidation or bullying complaint form, which shall be made available to the office of the principal of each school building and the Board of Education's central administrative office. The complaint form shall specifically describe the actions giving rise to the suspicion of harassment, intimidation or bullying, including identification of all person(s) involved, the time and place of the conduct alleged, the number of such incidents, the target of the alleged behavior, and the names of any student or staff witnesses. Such written report shall be promptly forwarded to the building principal for administrative responses.

The building principal or designee shall notify the parents, guardians or legal custodians of any student involved in an incident of harassment, intimidation or bullying under this policy. Such persons shall have access to any written reports pertaining to the prohibited incident to the extent permitted by State and Federal privacy/confidentiality laws.

ADMINISTRATIVE RESPONSE

The building principal or designee shall promptly investigate all reports of harassment, intimidation, or bullying. All matters involving such complaints should remain confidential to the extent permitted by law.

- A. The principal or designee will confer with the student, parent or guardian making the report in order to obtain a clear understanding of the alleged facts. If not already completed, the principal or designee will complete the harassment, intimidation or bullying complaint form.
- B. The principal or designee may meet with all witnesses identified by the person(s) making the report of harassment, intimidation or bullying. Witnesses will be asked to make a statement both orally and in writing regarding the alleged facts that form the basis of the complaint.
- C. The principal or designee will meet with the student(s) accused of harassment, intimidation or bullying to obtain a response to the complaint both orally and in writing.
- D. Following the completion of the investigation, any student(s) found to have violated this policy will be subject to any of the disciplinary actions described in the Student Code of Conduct.
- E. Retaliation against any student who makes a complaint of harassment, intimidation or bullying, or any student who becomes involved in the investigation of such complaint, is strictly prohibited, and may result in discipline irrespective of the merits of the initial complaint.
- F. The building principal or designee shall have the authority to involve local law enforcement if an individual believes danger is imminent due to the alleged harassment, intimidation or bullying.

PREVENTATIVE MEASURE

To the extent that State and Federal funds are appropriated for these purposes, the Board will provide training, workshops or courses on this policy to school employees and volunteers who have direct contact with students.

Teachers, guidance counselors, coaches and building administration will educate students about this policy through class discussion, counseling and reinforcement of appropriate student behavior. School personnel should intervene promptly whenever they observe student-on-student misbehavior, even if such conduct does not yet meet the frequency, severity or pervasiveness to constitute harassment, intimidation or bullying that is prohibited by this policy.

If the building principal or designee finds that a student has been the victim of harassment, intimidation or bullying, in addition to the imposition of disciplinary action against the student-offender, the following strategies may be implemented to protect the victim from additional harassment, intimidation or bullying:

- A. Staff may be instructed to observe and record the behavior of the student-offender in less-supervised settings such as the cafeteria, playground and restrooms. If the student-offender's misbehavior persists, administration may assign the student-offender to recess, lunch or class-release time different from those of the student-victim.
- B. The offending student and his/her parent(s) or guardian(s) may be requested to participate in a conference with building administration and staff in an attempt to enlist the parent(s) or guardian(s) to work cooperatively with the school to stop the harassment, intimidation or bullying.
- C. In consultation with the student-victim and his/her parent(s) or guardian(s), examine the student's daily schedule to identify those activities where harassment, intimidation or bullying most often occur. Make arrangements to increase supervision or adjust the student's schedule to reduce or eliminate under supervised activities.
- D. Change classroom layout or rearrange seating to eliminate "blind spots" where future acts of harassment, intimidation or bullying may occur.

SUMMARY OF REPORTED INCIDENTS

Twice annually, the Superintendent shall provide the Board President with a written summary of all reported incidents of harassment, intimidation or bullying. To the extent permitted by State and Federal privacy/confidentiality laws, a summary of reported incidents shall be posted on the website of the Board of Education concurrent with each report to the Board President.

NO LIABILITY FOR GOOD FAITH COMPLIANCE

A school district employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy if the incident is reported promptly, in good faith, and in compliance with the procedures as specified in this policy.
