A Message From Our Superintendent

I am proud to present our 2024 Quality Profile for Springboro Schools. This quality profile is our way to help data come to life and share with you, our great community, the achievements of our students, teachers, and staff from the prior school year.

For the first time, we are mailing our quality profile to every home in our district's attendance area, in order to provide our community members an opportunity to see the incredible growth we've all made together, as a school district. These accomplishments are earned through our district's efforts to remain good stewards of the community, while maintaining our responsibility to the taxpayers of Springboro.

This quality profile is just a snapshot of our many successes here at Springboro Schools, and we look forward to highlighting our work annually with a quality profile each year.

People First. Always Growing. Better Together. These are our core values. We have and will continue to live out these values. I encourage you to review this year's quality profile, and join me in celebrating the many aspects of a high quality, public education offered here at Springboro Schools. Learn more about our dedication to the students, teachers, and staff of Springboro Schools through our culture blueprint known as the Panther Experience. I encourage you to volunteer at our schools, attend our many events, talk to educators, parents, students, and community partners, and view our website and social media. There are a lot of great things happening in Springboro Schools.

We, the teachers, staff, and students in grades PreK-12, are all Panthers! "B-O-R-O! Let's go, Boro!"

Sincerely,
Carrie Hester, Superintendent

A Message From Our Treasurer/CFO

As Treasurer/CFO of Springboro Schools, it is my priority to provide our city residents with open, transparent, and reliable financial information. It is important for our community to understand how the resources our taxpayers are providing are being invested in their children's educational future.

Our commitment to the taxpayers of Springboro Schools is, "Every Panther will benefit from sound fiscal stewardship, transparent financial practice, and responsible use of taxpayer money." Utilizing our Panther Experience objectives, we continually analyze all district costs to ensure we are allocating resources that meet the goals and initiatives of Springboro Schools.

Although our most recent five year forecast anticipates deficit spending beginning with fiscal year 2027, the district's cash reserves remain positive through our forecast period.

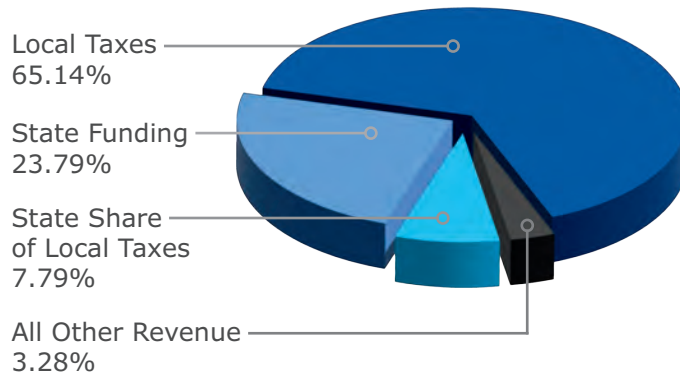

Please visit our website to learn more about the district's finance, including Ohio Checkbook, a website that makes state spending information available to the public, which Springboro Schools has been a part of since 2015. This is yet another example of how we here at Springboro Schools are committed to transparency with our community stakeholders.

Financial Facts

PER PUPIL SPENDING

In FY24, no district in Ohio spent less per pupil, and achieved higher, than Springboro Schools. Our district is among the lowest 3% in spending for all of Ohio's 612 public schools.

Springboro Spends \$2,664 Less Per Child Than State Average

LEVY HISTORY

The last new money operating levy was approved by voters 19 years ago (2005).

CLASSROOM SPENDING

Springboro Schools spends 70.9% of its district funds on direct classroom instruction.

COST SAVING MEASURES

To address deficit spending and balance our budget, the district implemented a cost containment plan in FY20 that will save over \$6 million through FY25. Additional cost saving measures were implemented to address the rising cost of healthcare and reduce claims. These efforts have saved the district over \$2.4 million within the last four years.

Springboro Educational Foundation

Springboro Schools has partnered with the Warren County Foundation, as well as the Anderson Family, on establishing an endowment known as the Springboro Educational Foundation. The first donation to the Springboro Educational Foundation was made by businessman and former Springboro Schools' Board of Education member, Charles Anderson. This gift of \$50,000 was approved by the Board of Education in October 2024.

Additional donations are encouraged to help increase the size of the endowment and, in turn, support the ongoing financial need of Springboro Schools and its students.

Our Buildings

Springboro Schools' Custodial, Grounds, and Maintenance Departments take great pride in maintaining the facilities in the district. Through an ongoing preventative maintenance program, our staff identifies and addresses areas of the buildings that need renovation, replacement, and/or repairs.

The district completed an energy audit and has developed a capital improvement plan. Springboro Schools is continually evaluating the cost savings that can be picked up to implement the suggested energy conservation measures across our district. We pride ourselves on being good stewards of taxpayer dollars, and the improvements that are being made as a result of our community support continue to take place.

In October 2024, the district entered into an agreement with SHP for design services to address long-term facility needs. This will ensure optimal use of our current and potential future district facilities, in order to maintain the best educational opportunities for all our Springboro Panthers.

District Improvements

A variety of improvements have been completed across the district to the benefit of our students, teachers, staff, and community. None of this would have been made possible without the tremendous support of our Springboro community.

- SHS Auditorium Lighting Improvement Project** Lighting retrofitted to LED, which included house/floor lighting, theatrical, and stage lighting.
- New Boiler at Springboro Junior High** A more efficient and redundant heating system.
- New School Buses** 13 new school buses have been added to the district fleet, transporting K-12 students daily.
- Safety/Security** Fire panel replacement at Dennis Elementary, along with new video surveillance and software for all buildings throughout the district.
- Food Service** A breakfast program that began in Aug. '24 at Dennis Elementary is continuing to grow in popularity, now servicing an average of 135 students each school morning.

In May of 2021, voters approved a no increase in taxes permanent improvement (PI) levy with 2 mills of bond debt that was falling off. Various district improvements have been possible as a result of this PI levy, and the gracious support of our community.

PI Levy Revenue

FY22 \$1,439,974
FY23 \$2,783,631
FY24 \$2,795,834

PI Levy Expenses

FY22 \$737,246
FY23 \$3,069,367
FY24 \$1,770,840

Purple Star School District

The Department of Education & Workforce Purple Star Designation is awarded to military-friendly schools that have demonstrated a major commitment to students and families connected to our nation's military. All six schools in our district have been designated by the Department of Education & Workforce as a Purple Star School. Springboro Schools recognizes that military families face unique challenges, and our district strives to do all that is possible to help our students and their families throughout the school year. Close to 30% of our district students have a family member who currently serves (or has served) in the United States Military.

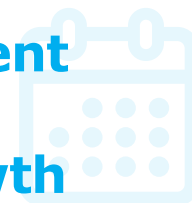

Improving Early Literacy

Springboro Schools is focused on improving early literacy across the district. Literacy Coach Jaclynn Krella obtained her district instructor credential, positioning Springboro Schools as an Institute for Multi-Sensory Education (IMSE) Accredited Partner. This credential allows Springboro Schools to provide Orton Gillingham training to our elementary teachers in house. This meets the state requirement to provide continuous teacher education in the Science of Reading, as well as approved intervention through the Ohio Department of Education & Workforce.

Focusing on Student Success Through Professional Growth

Springboro Schools has dedicated days throughout the school year to prioritize time for teachers to analyze student data in order to plan instruction. These days allow core and instructional support staff to collaborate on personalized plans for students that support intervention and ongoing enrichment.

District Earns Highest Possible Rating on State Report Card

Springboro Schools is rated one of the top school districts for the entire State of Ohio, in addition to being rated as a top school district in all of Warren County, according to the Department of Education and Workforce.

For the second consecutive year, Springboro Schools earned an Overall 5-Star Rating, the highest possible, based on the most recent Department of Education and Workforce State Report Card. The 2023-2024 State Report Card illustrates Springboro Schools earned its Overall 5-Star Rating for "significantly exceeding state standards."

Community Focus

Each and every day, great things are happening in Springboro Schools. Stories of accomplishment, triumph, perseverance, and academic excellence are taking place both inside and outside classrooms on a daily basis. Our district maintains its community presence through the great working relationships we have with the City of Springboro, Clearcreek Township, our local law enforcement, our fire district, as well as our numerous business and community leaders.

Our staff remain committed to various organizations and volunteer opportunities with the Springboro Community Assistance Center (SCAC), Springboro Chamber of Commerce, Rotary Club of Springboro, and the Springboro Lion's Club, just to name a few.

NATURALIZATION CEREMONY

Our district has hosted two Naturalization Ceremonies at Springboro High School. 74 of our area's newest citizens, from 38 different countries, took their oath of citizenship at SHS, administered by Judge Guy R. Humphrey.

JOB & LIFE SKILLS

The Springboro community partners with our district on teaching job and life skills to our students. Whether it's operating a restaurant-style lunch in school at "Stacy's Bistro" or working with a wide variety of our community partners in town, our students learn hands-on job and life skills.

92% SATISFACTION RATE WITH DISTRICT COMMUNICATION

Aug. & May '24

Springboro Schools is committed to transparent, responsive, two-way communication that enhances stakeholder engagement. Our district works to meet this goal to increase knowledge of the district's programs and services, foster community engagement, and share the stories of Springboro Schools.
